

It's that time again...the 2010

This year we are going GREEN! No plastic bags, just collection bins at Or Hadash and at High Holiday services at Gratz. Food can be dropped off between September 1st and September 19th

In addition to going green, we are only collecting peanut butter again this year.

All donations should be properly sealed, since collected food is stored for a month before being sorted and distributed. All food must be Kosher. Lower sugar and lower salt items are needed due to the growing senior client population and clients with special dietary needs. Please, no expired dates and no bulk sizes.

Can you assist with schlepping containers from Gratz to Or Hadash? Are you interested in getting involved with the Social Action/Tikkun Olam (SATO) committee? Contact Debbie Bernstein (debbie.bernstein@mac.com) or Alisa Belzer (alisa.belzer@gse.rutgers.edu)

Another great program brought to you by SATO – get involved, change the world, one small action at a time!
