

Subject: Needed: 2 Habitat volunteers for 10/8/09

---

Dear Chevre,

Or Hadash is sharing **Thursday, October 8th** with other members of Faith Builders to work on the Habitat for Humanity house. We have 4 slots to fill and only 2 volunteers so far for that day.

Volunteers work from 8:30 am to 3:30 pm with a 1-hour lunch break. It's a feel-good experience that's a lot of fun, too. Take a look at the accompanying photos of fellow congregants who have worked on the house so far (Guy & Shelly Homer, Nancy Boxer, Ken Rosenberg, Burt Siegel, and Rabbi Josh) as well as the progress that we've made on the building!

Please consider volunteering to work on the house on **Thursday, October 8th**. It's very soon, so if you'd like to participate in this, please email me ASAP at [remojs@aol.com](mailto:remojs@aol.com) and let me know.

Thanks,  
Shelly Homer
