

**COME CELEBRATE OUR DIVERSITY AT OR HADASH
POTLUCK (dairy/vegetarian) DINNER, WITH BEER!
HAVE A GREAT TIME WITH OLD AND NEW FRIENDS**

**Friday, February 13 – Potluck Dinner at 7:00 – Engaging Interfaith
Discussion Topic from 7:30-8:15-Followed by Short Shabbat Service with the
Choir-Followed by Oneg with great Desserts**

Last year's Diversity Shabbat was a great hit. That's because one of the many strengths of Or Hadash is our diverse membership. We want to embrace and celebrate that diversity once again. This year we will have a facilitated discussion focusing on an engaging interfaith issue. We are all affected by interfaith issues, whether our partners and extended family are Jewish or not, because intermarriage and interfaith relationships embrace Judaism today. I think you will find the topic surprising, fascinating and intellectually challenging (more so with the beer!). Our choir will provide a musical accompaniment to what will be an entertaining evening.

Please RSVP no later than February 8 to Jay Cohen at president@orhadash.com and indicate whether you will bring an appetizer, entrée, dessert or beverage (beer!). Also indicate if you need babysitting. Like last year, try to bring something that reflects your particular heritage and background within the limits of our kashrut policy. Once we have a good idea of the number of people and foods and alcohol (ok wine too)(did I mention beer?) that people want to bring we'll contact you to confirm. Looking forward to seeing you.

Cheers!

Jay Cohen, President
