Please join us for a joint Friday Evening Service on January 13th at 7:30 PM at Congregation Temple Beth'El in Oak Lane. Beth'El is a synagogue serving a primarily African-American Jewish community that joined us for services at Or Hadash last year, and we are now going to join them for services at their synagogue. (We alternate hosting yearly.)

This is certain to be an evening you will not want to miss!

Please observe Congregation Beth'El's request that all women wear skirts and men wear jackets and ties while we are guests in their home.

Please note there will be no services at Or Hadash's building on this evening.

PARKING IS LIMITED AND CARPOOLING RECOMMENDED

Congregation Temple Beth'El is about a 15 minute drive from OH.
