

August 2009

Dear Congregants and Friends,

What an inspirational day we had on May 17 when so many members and friends of Or Hadash gathered to dedicate our beautiful Life-Cycle Garden. The welcoming arbor, the soothing sound of the waterfall, the bright colors of the flowers, and the lush green of the trees all compliment the meaningful inscriptions of the bricks. The garden evokes serenity. We have already held several services and gatherings here and experienced its tranquility. We look forward to all of you enjoying this oasis of healing, meditation and reflection.

As you know, our garden is an ongoing project and you will always have the opportunity to commemorate a life-cycle event. If you would like to place your order, please fill out the form below.

We again thank all of you for creating and continuing to make this a special place at Or Hadash.
