# WHY OR HADASH?

Or Hadash is a warm, welcoming, egalitarian community with many lovely families. We welcome EVERYBODY with open arms. We want to get to know you and your family. Share your story and your pronouns. If your family is interfaith, you will find wonderful connections within our community.

Children will experience stories, crafts, songs, Jewish values, Jewish holidays and prayers in a warm and welcoming professional setting. Our wonderful teachers and sweet, welcoming students look forward to greeting their new friends. This is the Jewish value of *Hachnasat Orchim* or Welcoming Guests. We practice what we teach!

We can't wait to meet you and your family!
