CONGREGATIONAL TRIP TO THE LOWER EAST SIDE (LES) OF NEW YORK

*This trip is being heavily subsidized by the Or Hadash Legacy for Learning Fund. The fund was established in honor of Rabbi Vivian for educational programs for children and adults, just like this trip to the LES. So we are asking adults to pay a minimum of \$36 to go on this wonderful trip so that we may replenish this fund and therefore provide more lovely educational, community building trips for Or Hadashers to enjoy together.

This trip is limited to ONLY the Or Hadash community. There are a number of funds at Or Hadash that help us to remain a vital and healthy community.

Please consider honoring a special person or special occasion by making a donation that will come back to benefit our community. Please tell us which fund you choose to designate your contribution.

Please know that if paying the \$36 is a hardship, please speak with Rabbi Josh or Morah Barbara for financial assistance. We want everyone to enjoy being a part of our community and attend the trip.

HERE IS A LIST OF OUR SPECIAL FUNDS

- ♦ The Campaign to Renew and Sustain Or Hadash
- ♦ Legacy for Learning
- ♦ Rabbi's Discretionary Fund
- ♦ Building Fund
- ♦ Life Cycle Garden
- ♦ Prayer Book Fund
- ♦ Inclusion Fund
- ♦ Confirmation Class Fund
- ♦ Torah Fund

It is also nice to sponsor a Kiddush to mark a special occasion or honor someone special.

Please feel free to contact Education Director, Barbara Weisman at school@orhadash.com
