

Or Hadash Policy on Posting General Interest Announcements

If you have a notice of general interest to the Or Hadash community (announcements should include Jewish content, social action involvement, arts or educational opportunities), please e-mail it to office@orhadash.com with a cc to OH president, Rick.Dzubow@sun.com, and to the Corresponding Secretary, Debra Schaeffer, dbschaeffer@comcast.net. Please be advised that Or Hadash does not endorse, support, nor express any opinion with regard to any postings which are appended to this weekly e-mail calendar of events. Our listserv is available for congregants to post notices of upcoming events or opportunities which may be of interest to other congregants. We will not accept commercial postings, political endorsements, or events that conflict with Shabbat or Holiday observance. Furthermore, we reserve the right not to post any messages that we deem to be inappropriate and to limit the number of times a listing will appear.
