

OH's SMILE School is a vibrant program in which our children explore being Jewish in fun and meaningful ways. Our devoted, enthusiastic teachers – many of whom are OH members and fellow parents of SMILE students – cultivate a friendly and warm environment that welcomes our youngest members (and their families!) to engage with Jewish values, culture, history, rituals, and language through a wide array of dynamic and creative modalities.

At SMILE School each child is known, nurtured, and celebrated. Like Or Hadash as a whole, SMILE School celebrates the diversity that makes us special! We are made up of Jewish kids of all races, ethnicities, genders and abilities and come from a wide range of backgrounds, including from interfaith, multiracial and LGBTQ+ families.
