We understand that this amount is a sizable commitment for all our households. We are grateful to everyone who is able to make this commitment.

We try to be as flexible as possible about how members make payments, although we expect to receive all payments for 5785 (22024 - 2025) within our fiscal year, which is July 1 2024 - June 30, 2025.

There are several ways we can help you make these payments. Please check whichever payment option you wish:

Option 1: Check	
	I will pay by check (made out to Or Hadash)
	Single payment: (due now)
	Biannually (first half due now, second payment due December 31, 2025)
Option 2: Credit Card or ACH / Electronic Check Payments	
	I will make one-time or recurring automatic payments via my bank account or credit card through ShulCloud.
Please note that a fee of 3% will be added to your account for all credit card charges related to membership dues, building fund, security, and children's education. There is no fee for ACH charges (payments made by an electronic check from a checking or savings account).	
Option 3: Stock Transfer	
	I will make a one-time transfer of:
	Name of Stock:
	Approximate Date of Stock Transfer:
Please contact Stephen Kupersmith, Treasurer, treasurer@orphadash.com , for the information necessary to make a transfer.

Fine Print:

- You agree to notify OH in writing of any changes to your account information or termination of this authorization no less than 15 days prior to the next due date of the charges.
- You agree to have your payments made by the end of the fiscal year of OH, which is June 30.
- You understand that because this is an electronic transaction, these funds will be withdrawn from your checking or savings account automatically.
- You acknowledge that the origination of ACH/check and savings account transactions must comply with provisions of US law.
- You agree to not dispute Or Hadash’s recurring billing with your bank or credit card company so long as the transactions correspond to the terms of this agreement.

NEXT STEPS - SHULCLOUD:

Once you indicate your preferences here, we will set up your ShulCloud account accordingly. You will be notified as soon as it is ready (and we will remind you how to log into your ShulCloud account). Unless you are paying in full by check or stock, it will then be up to you to log into your ShulCloud account and attach a credit card or bank account.
