Dear Congregants and Friends,

The Life Cycle Garden was created to turn the grief of the loss of our member Melanie Gansler into something meaningful: to create a garden of beauty, peace, and healing. Many members saw this as an opportunity to memorialize their loved ones, honor someone special, and celebrate events with an engraved brick. The Life Cycle Garden truly represents members and friends in the cycles of their lives.

Currently, the garden can be supported by direct donations to the Life Cycle Garden Fund or by purchasing engraved bricks.

Thank you for making this a special place at Or Hadash,
Debby Lamb & Debra Schaeffer
Life Cycle Garden Co-chairs

Date _____

Name _____ Email _____

Address _____

Check enclosed for _____ brick(s) at \$54 each: \$ _____

Inscription: maximum of 3 lines, 20 letters each line (including spaces), per brick.
